I 'm so sorry to hear about the passing of Craig. We all lived in Indigo Pointe together and I attended middle & high-school with Craig. He was always cracking jokes and laughing. I remember we where on the school bus and I didn't know Craig was sitting in front of me and I said out Loud this boy got a real peanut head. He stood up and was like Really Angel you just gonna talk about me like that!! I really didn't know it was him. But from then on I called him Peanut Head Craig it was out of FUN!!..He will truly be missed. He was just an all around genuine person. I will continue to keep you all in my prayers.
