“ *This is so sad to hear. I just heard of this and my heart broke. David was such a great guy and believed in me and my potential growth with the company when it was Newell Recycling when I worked directly under him. He was a boss, and a friend. RIP Boss man*

“ David and i met in 9th grade at Letha Rainy Jr High School in Corona, CA  
Both of our families had just moved there from out of town..... we met and became best friends on the 1st day! Our love of motorcycles, hiking , and shooting our pellet guns was what kept us busy for years.  
I will miss you David!  
Love John
