“ Donna was my sis. She was there for me no matter what. I could tell her anything and she'd give me her advice, but not judge me. She helped me through so much. Robert and Donna were with me through what ever happened. I love them and appreciated all they've done for my boys and me. I'm so thankful to have her in my life. I will miss her laugh, her talks, even her setting me straight at times. She's my sis and dear friend. The boys, mom and dad, my Aunt will miss you and we're waiting to see you in heaven. Until then forever and a day, Love you my dear sis.
