“ Rose Ann,Aunt Doll will be terribly missed. Although she was the oldest member of our family, she was by far the most energetic. She loved praising God. When I think of her praising God, I think of Miriam in the book of Exodus dancing to the sound of her timbrel. She was an independent woman who took care of the needs of almost everyone whose lives she touched. She was not selfish with her time and you never had a feast until you were invited to her house for a meal lovingly cooked by Aunt Doll, complete with cakes and pies. She was never too old to have fun and share her knowledge because she never thought of herself as old. She brought much joy and laughter to our family outings. I will miss her Saturday morning and Sunday evening calls. I can hear her nowalright Lucille, dont forget about meplease call Doll, and you know I Love You.May Aunt Doll rest in peace and may God bless you and your family with everything you need for the journey ahead.Love You All
