“ *If I Only Knew* If I only knew when I visited you, it would be the last time that I would see you alive, I would have stayed longer. As I watched you as you held our grandson, I could see in your eyes that you were weary and tired. I believed that you knew that this would be the last time because you didn't look at us when we were leaving. You were ready to be with the Lord! You are in a better place now with God! You were a good friend and a good father both to me and to our son, ShaDar, SaDot as you would say. There wasn't anything you wouldn't have done for him or for any of your kids and grand kids. I will do my best to continue to insist in ShaDar to follow your example of being a good father to his own kids. There will always be a special place in my heart for you. I am not going to say good bye, just see you on the other side. Take your rest, my friend. Love always, Laretta
