“ It has been a little over two months and i miss you everyday. I cry, I smile, and a lot of times i am sad. There is nothing like the bound of a daughter and her daddy. Jill and i have matching tattoos now. It's a rose with your name on it and a dove. Daddy you was suppose to be here. I never imagined saying good bye. You said never say good bye it's always see you later. Deep down inside it feels more like good bye. I called your phone the other day,i don't even know why. I was excited to tell you something. As i pressed send it hit me and i said he's not here, he's not going to answer i felt crazy and sick at the same time. I'm going to always love and miss you, your baby girl!!
