“ My heart is sadden to learn of Dr. James passing. He was an outstanding professor and person. He epitomized the concept of "The Master Teacher." He did not teach for a living but taught for the total advancement of each student. He impacted so many students in countless ways. I am indebted to him for his kind words of encouragement and words of wisdom. My deepest condolences to the family for their loss. The Word says, "To be absent from the body, is to be in the presence of the Lord." May God`s Word comfort you and sustain you in this time of sorrow. Jer. 29.11 "For I know the plans that I have for you declares the sovereign Lord. Plans to prosper you and not destroy you, plans to give you a hope and a future." Rest in peace Dr. James, for you have surely earned your crown.

“ *Words dont come close to explain the lessons I learned from Dr. James. He taught me more than Chemistry. He taught me how to enjoy life and how to be professional at the same time. I still tell his Jokes. A good man.*

Christopher Holdip - December 12, 2018 at 12:00 AM

NS

“ Dr. James was a favorite professor at Savannah State and I learned so much from him, not just about chemistry, but also about life. He was wise and I appreciate his instruction. Prayers to the family in their time of transition and grief.

“ Dr. Jeffrey James you were more than just my deacon, you were my Chemistry professor at Savannah State University. You were my confidante and a true friend. I am going to miss you, we will all see our loved ones in the resurrection. Thank you for all the help you have given me. thanks for being there for me when I needed a friend to talk to. Rest in peace.
