“*“May tender memories soften your grief,
May fond recollection bring you relief,
And may you find comfort and peace in the thought
Of the joy that knowing your loved one brought...
For time and space can never divide
Or keep your loved one from your side.
When memory paints in colors true,
the happy hours that belonged to you.”
Thinking of you and wishing you peace and comfort as you
remember Johnnie Mae! I also worked with her at Hesse School
and we ran into each other at the Dollar Tree. I surely will miss her
and our sweet talks together.
