“ I just heard the news of Kerry's passing and I would like to send my deepest condolences. I worked with Kerry when I began my apartment management career at Oaks at Brandlewood in 2003. He was a ball of positivity with a contagious smile. He helped my husband get his first job in the industry at Marsh Cove, an industry that he still works in today. My God grant you peace during this difficult time and may you find peace in knowing the positive impact Kerry had on so many.

“ *Mennette and Family, My deepest and heartfelt condolence to the entire Thomas family, as well as Kerry's friends. So many fond memories of your lovely mom, and times I was asked to be the babysitter for you, Kerry, and Kenneth. As a young teen, that obligation and responsibility prepared me for future endeavors. May God continue with blessings, joyous strength, and upmost guidance, as we walk this earthly journey.*
