“ I recall memories of working in office with Laura and after her retirement her calls to me to take her to an appointment or to the bank. I'm glad I was able to assist her for now her days here are ended. She fought a good fight but eventually had to give up when death came. My you rest in peace.

Mama Laura was one sweet lady to me from day one of meeting her. I miss the phone calls from her as her started to decline some. My most memorable time with her was going to see a movie together. She was so happy when we would get out together. Especially to go get our sub from Subway. After she could no longer go, she made sure I picked her up a sub on the way to visit. Seen her only twice since the pandemic out of respect due to her underlying conditions. She will truly be missed by a whole lot of us. Rest easy Ma Harris. Love you!

“ Growing up and being Bulldogs every mother cared for us as if we were their own. Your Mom was no exception. Eric, I know she was especially proud of you as I admired and respected the way you were the caregiver in her later years. As we believe in God, we know she is in a better place, free of pain and filled with the joy the Lord has promised. You have my condolences and I will keep you and your family in my thoughts and prayers during this trying time.

“ *As a cousin I have memories of working in the same office with Laura as well as the many times she called me to take her to appointments or the bank. She fought a good, long fight and I am glad God allowed me the chance to help her when I could. Rest from the cares of this world in Jesus name.*
