“ *We would like to express our sincere sadness over the loss of Ms. Wright. As her dialysis provider, we were blessed to have her presence at our clinic. She was a very lovely, kind, and sincere woman who did not let her health problems keep her down. She loved her family, and always had a kind word for our staff and fellow patients. She will be so very missed. Our prayers are with her family, and she will remain in our thoughts and in our hearts.*
