“ To Lynnette Tatum's family I extend my deepest sympathy. I worked as a Paraprofessional in her Kindergarten class for three years. She loved her students and their parents. Lynnette had a heart of gold, she understood families going through hard times. She was very patient with the students and a wonderful teacher to work with. Lynnette and her family are in my thoughts and prayers. Sincerely, Linda VonWaldner

“ Dear Ron, Shanna, Phyllis, Alvin and the entire family of my beloved cousin, We are sending condolences to you all, we are going to miss Lynette so much. Lynette was a great teacher to her students and her family as well, she always gave good advice. Her smile and laughter was always welcomed, and she would make any situation better just talking to her. Hold on to the precious memories, and God be with you all. Goodnight Lynette, RIP.

“ It was my honor to work side by side as kindergarten teachers with Lynette at Georgetown Elementary for several years. She's the one who came to my classroom and told me to turn on the TV but keep it on mute on 9/11.....Thank goodness we shared other good times together. I'll always remember her quiet, sweet spirit .
