“ I am Pat Pruitt, Aunt Mamie oldest niece. Her husband Joe Patrick, Sr., and my mom. Ozella Patrick Pruitt, were siblings. We were deeply sadden to know that my Aunt Mamie has passed. I/we will miss her even more; the many long ago memories will always be with me/us. She was very nice aunt, had a happy smile when we talked about the fun times that cousins shared. Aunt Mamie will be missed.

“*Mrs. Patrick was a nice neighbor to have. I loved her soft spoken charm and friendliness and appreciate meeting some of her children as well...I miss seeing her and talking to her on her porch as I passed by over the years... She inspired me to get a cordless electric mower because she herself used one for her lawn in her advanced years. Among other fond remembrances she was a generous customer at my yard sale to help me out and we shared enthusiasm for interesting and useful things.*
