

Dr Morris William "Bill" Hutcheson

December 1, 1943 - October 18, 2023

Dr. Morris William "Bill" Hutcheson, 79, of Savannah Georgia passed away peacefully of natural causes on Wednesday October 18th 2023.

Morris was born December 1st, 1943 in Swainsboro, Georgia the son of Maurice and Sarah Ann Eliza Brown Hutcheson.

He graduated from Emory University with a degree in biology and a Doctor of Medicine from the Medical College of Georgia.

He is survived by his loving children, their spouses, and his grandchild. His son Samuel Chace Hutcheson (Paige), his daughter Amanda Hutcheson Enlow (Ralph) and his granddaughter Cordelia Marie Enlow.

He was preceded in death by his parents Maurice and Ann Hutcheson and brother Dan N. Hutcheson.

He was a beloved member of the Savannah community, having started practicing his passion of pediatric medicine in 1975 after serving 3 years in the United States Air Force. He practiced medicine for over 40 years in Savannah before retiring in 2007. In his spare time, he enjoyed reading history and philosophy and watching his beloved Atlanta Falcons and Georgia Bulldogs. His greatest joy was sharing his love, life, and faith with family and friends.

In lieu of flowers, memorial contributions may be made to the Inner City Night Shelter in Savannah.

“ *I met Bill when I was working at Sweet Potatoes in 2006. He would always come in at eat lunch when we opened and always talked about football and baseball. When I left there in 2010, and stopped by occasionally and eat, I would see him there and chat. You are a great man Bill and you will be sorely missed.*
