

Robert "Mando" Johnson, III

May 25, 1965 - January 2, 2014

Mr. Robert "Mando" Johnson, son of the late Mr. Robert Johnson, II and Barbara Johnson.

He was given to us May 25, 1965 and the Lord dispatched his angels to bring him home on January 02, 2014. Robert was a Savannah native and relocated to Atlanta at an early age. HE worked hard and enjoyed life to the fullest. Robert was a man who always helped others; he would always have a smile on his face and would always light up a room with his loud mouth and his great dance moves. He loved sports and giving his opinion on any subject. He loved his family dearly as well as his friends. He will truly be missed.

His cherished memories are left with: his daughter, Sha-Keria Johnson (Savannah); three grandchildren, Joseph L. Washington, Ye-Niah Watson, and Za-Niah Watson (Savannah; four sisters, Michelle Burrison (Atlanta), Rosalind Carter (Atlanta), Jennise Faquita Johnson (Savannah), and Wakilia Ukenuia White (Savannah); two brothers-in-law, Ronald B. Burrison (Atlanta) and Jimmy Carter (Atlanta); sister-in-law, Jene Johnson (Savannah); uncle, Eugene R. Johnson (Savannah); close family friend, Sammy Pinkston; three great aunts (South Carolina); and a host of nieces, nephews, cousins, other relatives and close friends.

Funeral service for Robert Johnson will be held 11:00 AM January 7, 2014 in

the Chapel of Williams & Williams Funeral Home, 1012 East Gwinnett Street.
Interment, Greenwich section of Bonaventure Cemetery. Reposing in the
chapel until the hour of service.

“ Our Anniversary coming up soon! We were not together. And only we know why. But we promised each other when we were joined in married. But the last conversation I had with you, was i getting married again and I said no. but when we promised we will never marry again we didn't I don't know why your loved one said we weren't married I guess because she wasn't present but your mother Bubba and Bernard and Rosalind they knew and I always held the proof, so if you don't know you just don't know. but what matter is what we promised to each other. No matter rather we were together or not because I couldn't move to Atlanta my brother lived there he told you and you didn't want to come back to Savannah to live and I understood that. I just wanted you to be happy rather it was with me or someone else. but if I never remember anything else I remember when I said I do to Mr. Robert johnson jr that born 05/26/1965 and that's what mattered we always held a special place for each other in our  and I will always love you and kiss my mother in law Mrs. Barbara and tell her thank you, for giving birth to such a women loving and caring man and thank you for making sure me and my children are straight forever on my end love you always and forever your wife Mrs. B Johnson

“ I will forever love ❤️ u! If you were here in flesh we would have been married for right at 39 yrs coming, we said no matter how the tables turned rather we were together or not we would never remarry and I stuck to it and I know you didn't rip bubba kept me up dated about you. Years! before his demise. And I'm sorry things went the way it did between us but we both were very young when we got married. But things went on in my life you were aware of because what bubba did let you know what I've told him. and your mother Mrs. Barbara use to call you so we could talk on the phone she was living on east 38th street with her male friend. Anyway I just wanna say happy 39th anniversary in heaven and this is how I'm feeling so what's understood does not have to be explained. But God knows my ❤️ and you did to so nothing else matter. what ppl failed to realize what's ever mine's in gone have could have stopped that they tried they said on your death certificate you were never married Lies on top of lies but who knows the truth is God me my husband Robert and Rosalyn bubba and rip Mrs. Barbara. So the ppl that said it wasn't what I said it is it doesn't matter. What matters is I know your still with me in spirit because I do feel your presences. So hunky continue to get your rest I will love you as I've always said pass death and that's not coming from a friend or companion this coming straight from your wife heart. Love Mrs. Johnson
