“ Bob Sweat was an American HERO and my dear friend. He was Big Guy to me and our talks, almost weekly, we're about golf, politics and how to fix things. The last part was for my education. All the work Bob did for Karen and I was both reasonable and high quality. He loved Golf and played well before his body began to shut down. The operations would have killed a lesser man, but Bob was the toughest man I ever knew. He once worked as an aide/body guard to singer Bobby Helms of "My Special Angel" fame. I loved to hear his stories on the road with the country stars of the 60's and 70's! Whenever we spoke he'd always ask how Karen and I were doing, even through all Hell he put up with in the operations, hospital stays and travel to receive the care the VA provided.
GOD BLESS YOU BOB 🙏 YOU WILL BE MISSED.

“ Rest in peace my dear brother. From the struggles of PTSD and the many other health issues, you fought a long hard battle. I will always remember our good times and your dry sense of humor you were the best brother and I love you forever. To your wife Linda and your children, Robert, Josh, Venus and Lisa I send each of you my heart felt condolences. Love you brother...your sister Paula and family.
