“ To the family of our long time friend and co-worker. Reflecting on Coach Roscoe Edwards, this man focused on doing his best work in the community by coaching and running a basketball camp for young people. I believe he kept many out of trouble. Coach Edwards was a mentor to my son Edward and later my grandson Jawann, there are so many wonderful things I can say about him, cause he truly impacted our lives. He was valued by those who knew and worked with him. He will be greatly missed in our community. May God strengthen you, his family, at this difficult time.
