A very kind, and sweet soul. When I met Michael & Sharon for the 1st
time at their home, they were very hospitable and extended "Love".

Your smile and laughter will always be in my heart.. From the 1st day
we met in Reba Smith's algebra class, you have always been a bright
star in my life. I thank you for having the courage to be my friend. I will

Sharon was a very sweet and loving person. She was truly an angel on earth. Now God has another angel with him. She will be missed by her family and friends.

The first time! in meeting Sharon. She had that kind of personality as a people person. which was true! If you started conversation! She would join in at times! speak her opinion. Had this pleasant look on her face. She always! treated me kind like family. Sharon you will always be in my hearts&thoughts!

Sharon youer gone! But never forgotten! Live always! 💕💕💕
