“Knew Stan and Jo Ann in the mid '80s. I remember Jo Ann's jalapeño jelly, her introducing me to salt grinders, their sons as little guys, and Stan being beyond distraught over Black Monday. I wondered if he thought back at all to my much younger 'advice' that 'the market will go back up, and higher than ever, Stan'. It saddens me so not having been able to stay in touch. My very belated condolences. Blessings to Jo Ann.
