“ John 14:26-28 New King James Version (NKJV) 26 But the Helper, the Holy Spirit, whom the Father will send in My name, He will teach you all things, and bring to your remembrance all things that I said to you. 27 Peace I leave with you, My peace I give to you; not as the world gives do I give to you. Let not your heart be troubled, neither let it be afraid. 28 You have heard Me say to you, 'I am going away and coming back to you.' If you loved Me, you would rejoice because I said, [a] 'I am going to the Father,' for My Father is greater than I. Theomas touch each and everyone of our lives . We know that God loves him best.

“ My Dear Theomas, I love and miss you very much. Why my little man did you have to leave our family so soon. You would call me you mean sister, but that was our way of telling each other we love one another. I can say; "I am proud for having you as a brother." Do you remember when Mama used to work all the time and Lucinda had to keep an eye on us. She and I would put you in your room because you would always be so bad and pull our pony tails. I know you remember when we used to take Mama fresh blueberries and make mud pies and you was Lucinda and I taste tester. I think when we lived in Cloverdale, yes at 1632 Cloverdale Drive between Mrs Barbara with Denise and Dwayne, and Mr. Brown lived on the other side. He had the mean dog the bit Lucinda finger because she was picking on it. Mama and Daddy would have the family BBQ over at our house. Most of our family would come and have a good time. But the best time of our childhood was when we had nothing but our Mama, she always took good care of us no matter how hard it was. We ate a lot of pork-n-beans and rice. Boy she could change the way we look, but it still have that sauce. Theomas man I really missed you. I am going to miss you stopping by Orthopedics on your way home to tell me about your day or when you came in at 0600 and stop to just let me know that you are there. Why did you have to leave me. I am the big baby sister. When Mama was sick last you over to St. Joes/Candler you did not say anything about how bad you was feeling. You kept it all to yourself. I am sorry that no one could tell how sick you was. The thing is that you are not in any more pain. Thank you God for taking all the pain from Theomas and bring him home. I love you Theomas!!

“ Thomas I will miss your presence. My heart is aching and long to hear your voice again. I will never forget the sound of it. I will miss your smile and silly laugh. Why didn't tell us you were so sick. You kept your physical pain well hidden. I know you are a man. To me you will always be my little brother, "a good boy." You love God, Mama, and church. You were always a hard worker. You cause mama no problems as a man. As a boy you were a character. I remember when we were little, you told me I was your favorite BIG sister. Your second Momma. I remember when mama worked two jobs to take care of us. On the nights she worked I use to tell you and Angie bedtime stories. Your favroite was "The Three Pigs." I always said they were named after us Cindy, Angie, and Toad Jr. They would fight over the last piece of corn flake in the Cereal box. You were a great test taster of our Blue berry mud pies and raw egg mud cakes. You would rub your stomach and say "Cindy this taste real good." Angie and I use to fall out laughing. I remember you use to jump on our backs and twist our pony tails, and make the motor cycle sounds. We would get mad and slap you away. I will cherish my memories of you. Do you remember the house Mama and Daddy bought in Cloverdale? Mama planted Pine trees and named them after us Cindy, Angie, and Toad Jr. They are so tall and beautiful now. Charlie Brown and Snoopy were your favorite cartoon characters. You love model trains, the ice cold thrills I make from Kool aid, and grape flavor Now Laters. Your teeth and tongue would be purple. I will miss you my brother. The pain of missing you is great. I love you. I know you are in a better place and I will see you again. No more pain and the stress of this life you endured. I will miss seeing your face, looking like our uncles Ben and Crip. A younger version of Daddy and the performer Kanye West. You would always become quiet and be in deep thought after I make that statement. Bye Toad Jr. Love you boy. Love and hugs from your BIG sister, Cindy

“ It is hard when someone leaves us so quick. As it says in the bible " in a blink of an eye" . Mr. Theomas (Bushwick) was such a likeable soul. He loved the church and his birth family. His family that he had made through the years was a large one. My son and daughter in law Julie loved him so. His birthday was special to to Mick and he always made it nice for Theomas. They would do whatever Bushwick wanted to do. Something different every year. Bushwick love the college that they attended , Armstrong Atlantic University. He loved the basketball team and many other sports teams,MANY OTHERS. Anyway, Mick and Bush were good friends. He came to Florida to visit and Bushwick said Mick was the first to invite him to his hometown. Bushwick loved to swim and the beach. So many things I can remember about him. I am glad I have those nice memories of him. He was kind , smart, and worked hard to be but his belief in Jesus Christ was his savior. He loved his Momma and went to her church earlier than Mothers Day because he had to work on Mothers Day. Well, he is now in heaven and has to work no more. Mothers Day won't be the same for Mrs. Wright but I know she knows her baby is in heaven that is a great gift for her. She raised a good boy. He was proud of her and the rest of the family. May we all remember Theomas the way he was, with a big smile. Let us pray for his family (all of them and us) that they won't be to sad. Buswick is looking down with his beautiful smile.
