Mr. Billy it was so nice and refreshing to meet and talk with you. You stumped me with your riddles. I couldn't guess any of them lol. I enjoyed looking at your beautiful craft work. You were amazingly talented and very skilled with your hands. Your 2 piece chair was surprisingly comfortable. The rains sticks were awesome too. I loved your jewelry as well. You shared your love and knowledge with all who would listen. I'm glad our paths crossed and that you allowed me to watch you work. Sleep in peace my friend.
